## General Information

---

### Short summary

A German SME offers a broad service portfolio in the printing of dirt-trapping mats, clean-off mats, doormats, dirt traps, entrance mats, carpets, floor coverings, including the intensive cleaning and exchange of material. The SME is looking for supplier agreements with European partners.

---

### Full description

A company in Northern Germany offers carpet solutions for entrance areas in buildings, as i.e. public buildings, hospitals, retirement homes and rehabilitation clinics or commercial buildings such as industrial facilities, airports, restaurants, hotels and supermarkets. The SME's service consists of redesigning building entrances and replacing and washing mats. Currently the SME is working mostly with suppliers of dirt-trapping mats, clean-off mats, doormats from far East. The SME has the aim to shorten the supply chain and is looking for partners who can deliver the above-mentioned materials according to customer specific sizes and specifications regarding material, colour, washing/cleaning possibilities, printings and fire-safety properties. The company is looking for European partners preferably from the Baltic States, Hungary, Czech Republic, Slovakia, Portugal and Turkey who can deliver tailor-made products on short notice.

---

### Advantages and innovations

---

### Technical specification or expertise sought

European suppliers of dirt-trapping mats, clean-off mats, doormats, dirt traps, entrance mats, carpets who can deliver the above-mentioned materials according to customer specific sizes and specifications regarding material, colour, washing/cleaning possibilities, printings and fire-safety properties. The composition of the mats should be synthetic fiber and nitrile. The company is looking for partners from the Baltic States, Hungary, Czech Republic, Slovakia, Portugal and Turkey who can deliver tailor-made products on short notice.
